Dear Mr. Morelli and Mr. Schaen,

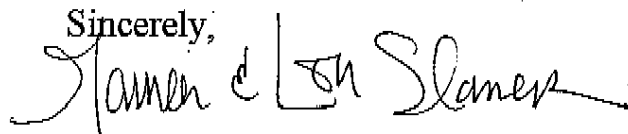

My husband, Lou, and I would like you to know our gratitude and appreciation for the impact Dave Hecht has made in our lives. Our goal was not only to decrease our commuting time to work. We wanted to be able to purchase a home of our own. Before we met Dave this reality did not seem possible.

We met Dave through our realtor, Betty Barnes. Our encounter with these two individuals enabled us to change our life situation. Working in concert with Ms. Barnes, Dave proved to us that with his knowledge, experience and expertise we could reach our goal. Through him we consolidated our debts, sought lower interest rates, and refinanced our present business.

We were more hopeful when we learned through Dave that our good credit record would finally benefit us in our efforts. He took the time to walk us through the tedious process of gathering the documents and information he needed to assess our financial situation and to be able to guide us in the right direction.

Dave remained a true professional and used his knowledge for our best interests. In our new home my commuting time has decreased. Lou is able to walk to his business a few blocks away. And Dave walked that extra mile to ensure our dream of a home could be a reality. Thank you, Dave.

Sincerely,
